Conference Overview

By Jason Hafer, President of the Board of Directors VAPCP

Dear VAPCP Members and Guests,

I am thrilled to invite you to the VAPCP Spring Home Care Conference 2025!

As we gear up for this year's conference, I'm both honored and excited to welcome each of you to an event that promises to be both inspiring and insightful. This conference is a reflection of our shared dedication to advancing home care in Virginia, enhancing patient outcomes, creating an environment where home care can thrive, and ensuring compassionate, supportive care for those we serve.

Spring represents a time of transformation and renewal, making it the perfect occasion for us to come together, explore fresh ideas, exchange best practices, and embrace the changing landscape of home care. Our agenda is filled with engaging sessions, stimulating discussions, and valuable networking opportunities designed to equip you with the knowledge and resources needed to navigate the challenges and seize the opportunities in our industry.

This year's conference agenda highlights our commitment to advancing agency-directed home care in Virginia. As we explore emerging trends, regulatory hurdles, and innovative care models, we must also appreciate the importance of networking and sharing ideas and enthusiasm with our peers.

I strongly encourage you to join us at this conference, engage actively with our speakers, connect with fellow professionals, and take full advantage of all the resources available. Your involvement is essential in shaping the future of home care, and I am confident that the ideas and solutions that will emerge from this event will leave a lasting impact on our field.

Thank you for your continued dedication to excellence in home care. Let's embrace the opportunities before us and continue making a meaningful difference in the lives of those we care for.

Warmest regards,

Jason Hafer

President
